NRI / OCI / PIO Status	
Qualifying Sponsor (Name & Relationship)	
Home Country / Domicile	
Course Sought (MBBS / BDS / MD / MS / MDS)	
Package Selected	
Date of Engagement	

1. ABOUT INDIA TO INTERNATIONAL

India To International is a dedicated medical-admissions consultancy led by **Navin Harjwani, Founder & Head Counsellor**, who brings over 19 years of hands-on experience guiding families through medical admissions in India. Formally established in 2020, the practice is built on a single principle: every counselling decision should be driven by verified data and a clear, personalised strategy — never guesswork.

We specialise in NRI, OCI and PIO families — particularly across the GCC — who seek MBBS, BDS and PG (MD / MS / MDS) admissions in India. This is a distinct field with its own eligibility rules, sponsor requirements, attestation chains and fee structures, and it is the field we work in every day. We combine a deep working knowledge of the NMC, DCI, NBEMS, MCC/DGHS and every major state authority with direct relationships at partnered deemed universities where genuine fee concessions are available to our clients.

Our Credentials & Presence

- 19+ years of specialised medical-admissions counselling experience under one Head Counsellor.
- Focused NRI / OCI / PIO practice serving GCC families remotely, end to end.
- Two dedicated information portals: **neetadmission.in** and **nrineetugpgadmission.com**.
- Active guidance library on YouTube — “NEET PG NRI Admissions Hub” (@NRIQuotaExpert) — and a public WhatsApp updates channel.

Client trust — families consistently rate our guidance highly. Read our verified Google Reviews here: <https://share.google/jw52m0s2o08Ey6uUj>

2. UNDERSTANDING NRI / OCI / PIO MEDICAL ADMISSIONS

NRI, OCI and PIO admissions do not run on the ordinary merit route. They are filled through a different set of streams, each with its own eligibility proof, documentation and fee reality:

- **NRI-quota seats at deemed universities** — a defined share of seats reserved for genuine NRI/OCI/PIO candidates and their wards.
- **Private & management NRI seats** — at private colleges and universities, subject to each institution’s NRI-quota rules.
- **Central & state counselling** — where an NRI/OCI/PIO candidate is additionally eligible on merit, we guide that route in parallel.

Eligibility turns on documentation, not merely rank: a valid passport and NRI/OCI/PIO status, a qualifying NRI sponsor established in line with the prevailing Supreme Court framework, and a correctly executed attestation chain (Indian Embassy/Consulate, Apostille or the MOFA route, as applicable to your country of residence). A single defect here — a wrong sponsor, a missing attestation — can cost a seat that the candidate was otherwise fully entitled to. This is exactly where our guidance protects you.

Because these seats are fee-led, the real difference between a good outcome and an excellent one is: the right university at the right net fee, a correctly documented eligibility file, and — where we have a partnered university — a negotiated fee concession that materially lowers what your family pays. That is precisely where structured, specialist counselling pays for itself many times over.

3. STEP-BY-STEP: WHAT YOU WILL RECEIVE

Every candidate is taken through the complete counselling journey below. The scope to which it applies depends on the package you select in Section 4.

STEP 1 Personalised Profile & NRI-Eligibility Assessment. A detailed review of your NEET score, rank, category, course goal (MBBS/BDS/PG) and — critically — your NRI/OCI/PIO status and sponsor position, so your eligibility is confirmed before any strategy is built.

STEP 2 Sponsor & Documentation Review. We verify your qualifying sponsor and map the exact attestation chain (Embassy/Consulate, Apostille or MOFA) required for your country of residence, so your eligibility file is unassailable at verification.

STEP 3 Data-Driven Rank & Fee Analysis. Your profile is benchmarked against verified, published historical data to build a realistic, honest expectation band across institutes and net fee levels. We work only with real data — never estimated or fabricated cut-offs.

STEP 4 Counselling Roadmap & Calendar. A personalised roadmap of every relevant process — registration dates, fees, security deposits and round schedules — so nothing is missed and no deadline is a surprise.

STEP 5 Registration & Portal Assistance. Step-by-step guidance to register accurately on each applicable portal, pay the correct registration/security fee, and complete forms without costly errors.

STEP 6 College & Course Shortlisting. A curated shortlist built around your profile, budget, course and long-term plan — with partnered deemed universities highlighted wherever a fee concession is available to you.

STEP 7 Personalised Choice-List Preparation. An optimally ordered preference list using a considered high-to-low strategy that balances ambition with safety, weighing course priority against institute priority.

STEP 8 Choice-Filling & Locking Guidance. Live guidance through the choice-filling window — how to add, order, delete and lock choices, and how to approach freeze / float / upgrade options correctly.

STEP 9 Round-by-Round Strategy. Clear direction across every round including mop-up and stray vacancy — when to hold a seat, when to upgrade, and the timing and consequences of resignation, including security-deposit implications.

STEP 10 Fee, Bond, Stipend & Security-Deposit Briefing. A transparent briefing on tuition, hostel, bond penalties, stipend and security-deposit refunds — so every financial commitment is understood before you accept a seat.

STEP 11 Document Preparation, Admission & Reporting Support. A complete, checklist-driven review of reporting/joining documents (including NRI/sponsor attestations), then guidance through provisional allotment, reporting and any upgradation until your counselling journey is complete.

4. YOUR FEE STRUCTURE

Our fee is deliberately simple, and it is designed to always keep you ahead. There are just two situations:

A. Standard NRI / OCI / PIO Counselling

The complete eleven-step service in Section 3, for a professional fee of **₹2,00,000** — payable as **₹50,000 on engagement** and **₹1,50,000 on admission**. This applies whenever no partnered-university fee concession above ₹10,00,000 is involved.

B. Partnered Deemed-University Route (with a large fee concession)

Where we secure a fee concession above ₹10,00,000 for you at a partnered deemed university, our professional fee is a flat **₹5,00,000**, inclusive of the entire standard counselling service above. This fee is fixed. It does not rise with the size of the concession — whether the concession is ₹15 lakh, ₹25 lakh or ₹40 lakh, our fee remains ₹5,00,000.

Fee concession we secure for you	Your professional fee to India To International	What it means for you
No concession, or a concession up to ₹10,00,000	₹2,00,000 (₹50,000 on engagement + ₹1,50,000 on admission)	Complete standard NRI / OCI / PIO counselling service (all steps in Section 3).
A concession above ₹10,00,000 — of any amount whatsoever	₹5,00,000 (flat, fixed)	Fixed fee, inclusive of the entire standard service. It never rises with the size of the concession.

Worked example: If we secure a ₹40,00,000 concession for you at a partnered deemed university, our professional fee remains ₹5,00,000 — so you retain a net benefit of ₹35,00,000. The larger the concession, the more you keep. Our fee never chases it.

In short: below a ₹10,00,000 concession you pay ₹2,00,000; above it you pay a fixed ₹5,00,000, no matter how large the concession. There is nothing further to calculate.

5. COUNSELLING ENGAGEMENT AGREEMENT

This Counselling Engagement Agreement ("Agreement") is made between **India To International**, having its office at 2088, Vijay Nagar Colony, Sadashiv Peth, Saras Baug Road, Swargate, Pune, Maharashtra 411030 (the "Consultant"), and the candidate named on the cover (the "Candidate"), with effect from the Date of Engagement.

1. Scope of Services.

The Consultant will provide the eleven-step counselling-guidance service set out in Section 3, applied to the counselling processes and institutions relevant to the Candidate's NRI/OCI/PIO admission. The engagement is advisory in nature: the Consultant guides, prepares and supports the Candidate's counselling decisions.

2. Professional Fee & Payment Schedule.

The Candidate agrees to pay the professional fee as follows. Standard NRI / OCI / PIO Counselling — ₹2,00,000, being ₹50,000 on engagement and ₹1,50,000 on admission. Partnered Deemed-University Route — where the Consultant secures a fee concession above ₹10,00,000 at a partnered deemed university, the professional fee is a flat ₹5,00,000 (inclusive of the standard service), being ₹50,000 on engagement and ₹4,50,000 on admission. This ₹5,00,000 is fixed and does not increase with the size of the concession. The professional fee covers counselling guidance only and is separate from any university/college registration fees, security deposits, tuition or other statutory charges, which are borne by the Candidate.

3. Candidate's Responsibilities.

The Candidate agrees to provide accurate and genuine personal, academic, category and NRI/OCI/PIO sponsor information and documentation; to complete the required attestations promptly; to share portal credentials only as needed for guidance; to make all registration, security-deposit and fee payments on time from their own resources; and to take final decisions on choice locking, seat acceptance, upgradation and resignation. Timely cooperation is essential to the success of the counselling strategy.

4. Authenticity of NRI / Sponsor Documents.

The Candidate warrants that all NRI/OCI/PIO status and sponsor documents provided are genuine and correctly attested. The Consultant is not responsible for rejection of candidature arising from false, insufficient or improperly attested documentation, or from a sponsor who does not qualify under the prevailing rules.

5. No Guarantee of a Seat.

The Consultant provides expert guidance and strategy but does not and cannot guarantee allotment of any particular seat, course, college, concession or category benefit. Final allotment is determined solely by the concerned counselling authority or institution on the basis of the Candidate's eligibility, choices submitted, seat matrix and prevailing rules. Our commitment is to maximise the Candidate's chances through accurate, data-driven guidance.

6. Accuracy of Data.

All analysis and shortlisting is based on verified, published historical data. Rules, seat matrices, fees and concessions are set by the authorities and institutions and may change year to year; the Consultant is not responsible for changes made after guidance is given.

7. Confidentiality.

The Consultant will keep the Candidate's personal, academic and financial information strictly confidential and use it only to deliver the counselling service. The Candidate likewise agrees to keep the Consultant's proprietary tools, data, partnered-university arrangements and choice-list strategies confidential.

8. Term & Completion.

This engagement runs from the Date of Engagement until the conclusion of the counselling round(s) covered (including applicable stray/mop-up rounds), or until the Candidate secures and finally accepts a seat, whichever is earlier.

9. Fee Earned on Successful Category Conversion and Allotment.

Where the Consultant, through its counselling services, has (i) successfully established or converted the Candidate's admission eligibility from the Indian / General route to the NRI / OCI / PIO route, and (ii) the Candidate has been allotted a seat at a partnered deemed university in accordance with the choice-filling strategy prepared and

recommended by the Consultant, the professional fee shall be deemed fully earned upon such allotment. Should the Candidate thereafter elect to discontinue the engagement, disengage the Consultant, or proceed with the assistance of any other consultant or counsellor, the Candidate shall nonetheless remain fully liable to pay the Consultant the professional fee of **₹2,00,000 (Rupees Two Lakh only)**. Any amount already paid on engagement shall be adjusted against this sum, and the balance shall become immediately due and payable. This liability arises because the Consultant's core deliverables — category conversion and a successful allotment through the Consultant's recommended choices — will already have stood rendered and realised; the fee reflects work duly completed and an outcome duly secured, irrespective of the consultant or counsellor through whom the Candidate ultimately takes admission.

10. Refund Policy.

The ₹50,000 engagement fee is refundable in full if no admission is secured for the Candidate, payable after the completion of the counselling process. The balance is payable only after admission is secured — so the Candidate's only commitment before a seat is confirmed is the engagement fee. This refund provision operates without prejudice to Clause 9 above, which applies where an admission has in fact been secured through the Consultant's services.

11. Governing Law & Jurisdiction.

This Agreement is governed by the laws of India, and any dispute is subject to the exclusive jurisdiction of the courts at Pune, Maharashtra.

6. ACCEPTANCE & SIGNATURES

By signing below, both parties confirm they have read, understood and agreed to the services, fee structure and terms set out in this Agreement.
